THE MOST EXCLUSIVE SEAT IN SNOOKER

IN 2026, THE CRUCIBLE THEATRE ENTERS A NEW ERA.

For the first time in its storied history, the World Snooker Championship stage will be redesigned to offer fans an all-new vantage point—bringing you closer than ever to the action.

For decades, this sacred view was reserved exclusively for commentators and officials. Now, the iconic walk-on route—tread by the greatest champions in the history of our sport—will be redesigned to host a limited number of guests in premium chair seating, creating the most intimate spectator experience in snooker.

Sit where snooker history has unfolded—on the very path walked by icons of the sport, share the view the players see as they walk out to a packed arena. With only a handful of seats available per session, this is the most intimate, immersive, and electrifying way to experience the World Championship.

Feel the tension the moment you step inside. The hush of the crowd. The charged silence before a decisive pot. The crisp echo of cue on ball. In this arena of legends, every moment hits harder when you're just feet from the table.

History happens here.
In 2026, it can happen right in front of you.
