

# Sticklinch 2022

## Useful Information

### Greetings from the Sticklinch 2022 Team!

After a three-year hiatus, we can't wait to be back in the fields! As well as the return of all the Festival's much loved areas, stages and the incredible line up, there are a few exciting changes to Glastonbury 2022 including:

- The introduction of this campsite! Worthy View's sister campsite, Sticklinch.
- New stages in Silver Hayes: The Lonely Hearts Club, an art deco cinema structure standing over 40 foot high, and Firmly Rooted, a space celebrating all things sound-system culture.
- The return of Arcadia's iconic fire breathing spider.

Watch the Festival grow on the BBC Glastonbury webcam!

We are all getting very excited about meeting you in a field very soon. This is your comprehensive guide on the arrival and check-in processes, as well as the onsite facilities. This should operate as your FAQ's, so do share with the rest of your group, as it only comes to you as Lead Booker.

If you can't find the answer to your questions below, then do please contact us, we're here to help! Likewise we are always looking to improve so do send any feedback through to us too.

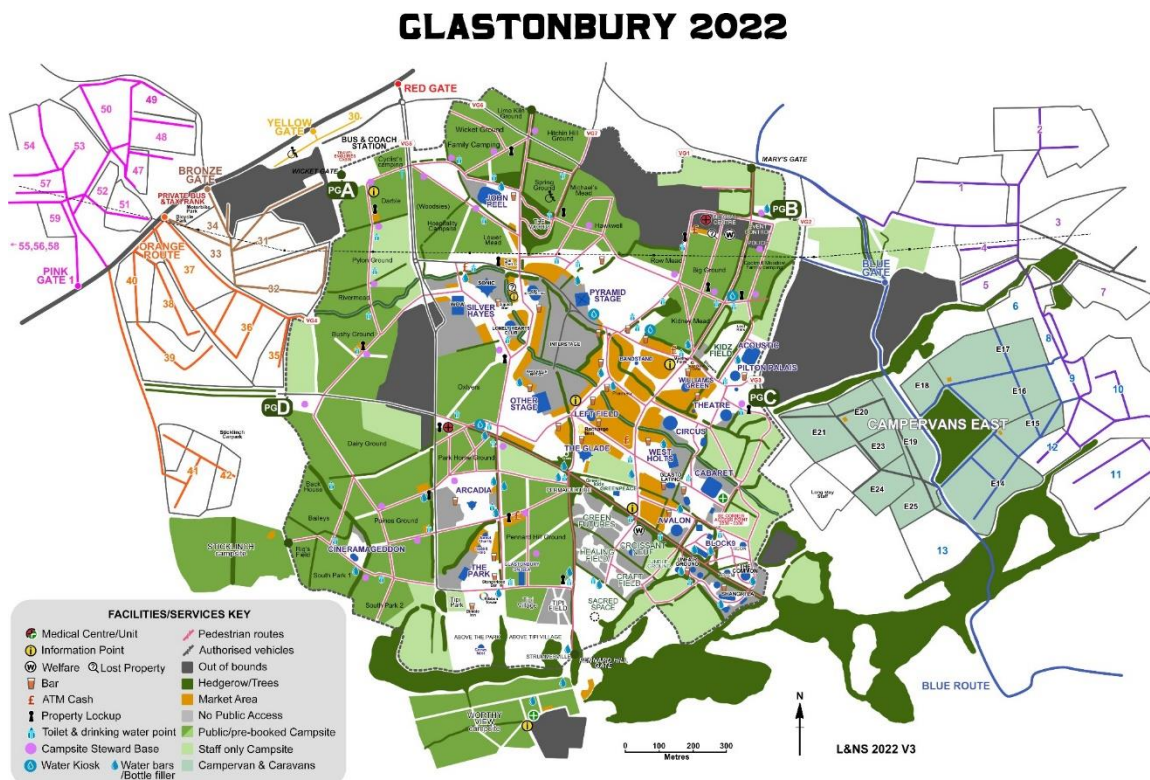

### Stay in the loop!

Throughout the event we will be tweeting lots of info and updates, so stay in touch, beat

the queues and prepare for the weather by adding us on twitter at [@worthyview](https://twitter.com/worthyview)

### Sticklinch Campsite Location

Sticklinch is located to the west side of the Festival on the former site of the West Campervan Fields, near Cineramageddon. This campsite is more accessible with flat routes to the Festival, no steep hills like Worthy View.

## Arrival and Check in

You will receive one barcode per booking, which can be used as many times as the occupancy of your tent permits. It is advisable to print barcodes out, as phone scanning can be problematic.

### Group Arrival / Arriving at Different Times

As lead booker, you are responsible for distributing the bar code to any members of your group who will be arriving separately. For security, we would advise that you do NOT distribute the barcode if you don't have to. **The barcode will only permit as many scans as the occupancy of your accommodation.** Once the barcode has been scanned the maximum number of times permitted by your booking, it will not permit any further entries and people in your party may be denied entry. Please impress on your party how important it is to keep your barcode safe.

**IMPORTANT:** the barcode only allows access to your accommodation in conjunction with a valid Festival ticket. Your barcode does NOT replace your Festival tickets, which you must present on arrival at Sticklinch. Any ticket queries should be referred to See Tickets.

**Gates open at 8:00am on Wednesday 22th June.**

If you need to collect your ticket from the **international ticket** collection cabin at Gate A, please do so before you arrive at Sticklinch as you will not be able to enter Sticklinch without a valid Festival ticket.

Please don't arrive expecting to squeeze more people into your tent as **we are not able to accommodate extra guests.** The only exception to this is children aged 12 or under on 22nd June 2022.

## Children

Please email us if you are **bringing your children on site** to ensure we have enough wristbands on the gate. In addition to the adults, we allow one child per two & four person accommodation unit and two children per six & eight person accommodation unit.

### Arrival and Check in Process

- Have your Festival ticket in hand ready to show
- Show the confirmation email with your **Barcode**
- Once your ticket has been checked it will be swapped for a Worthy View wristband. Please look after it, as we are not able to replace lost or damaged wristbands.
- Please be prepared that all adult attendees may be required to show some photographic ID.
- You will receive your Festival programme as you exit the gate.

Please note you will only be issued with sufficient Sticklinch wristbands for the maximum occupancy of your tent. A Sticklinch wristband will only be issued to the person presenting a Glastonbury Festival ticket plus Sticklinch barcode and will be put onto the ticket holder by the wristbanding team. We cannot give a number of wristbands to the lead booker to distribute later.

Once you have gone through the Sticklinch gate, you have a few options based on the type of accommodation that you bought. If you're staying in a Glastonbury Festival Scout tent or bell tent then you will have been sent your tent number and row with a map of the campsite in advance - feel free to make your own way to your tent. If you're staying in a podpad, bunkpads or bellepad head to Blue Reception. Tipis and Yurts are in Green Reception. Bell tents are between Orange and Purple Receptions. Please refer to the email sent to you just prior to the Festival with information about which tent/ reception you need to visit.

Otherwise, you can head to **Pink Reception** where you will be greeted by our friendly team who will provide directions to your tent. There will also be stewards around to help you carry your stuff.

We will be operating a **24 hour check in at all of the receptions until Friday**, however it helps us if you try to turn up before 10pm if you can. **Pink Reception** stays open 24hrs throughout the Festival to support with any issues.

## Check out

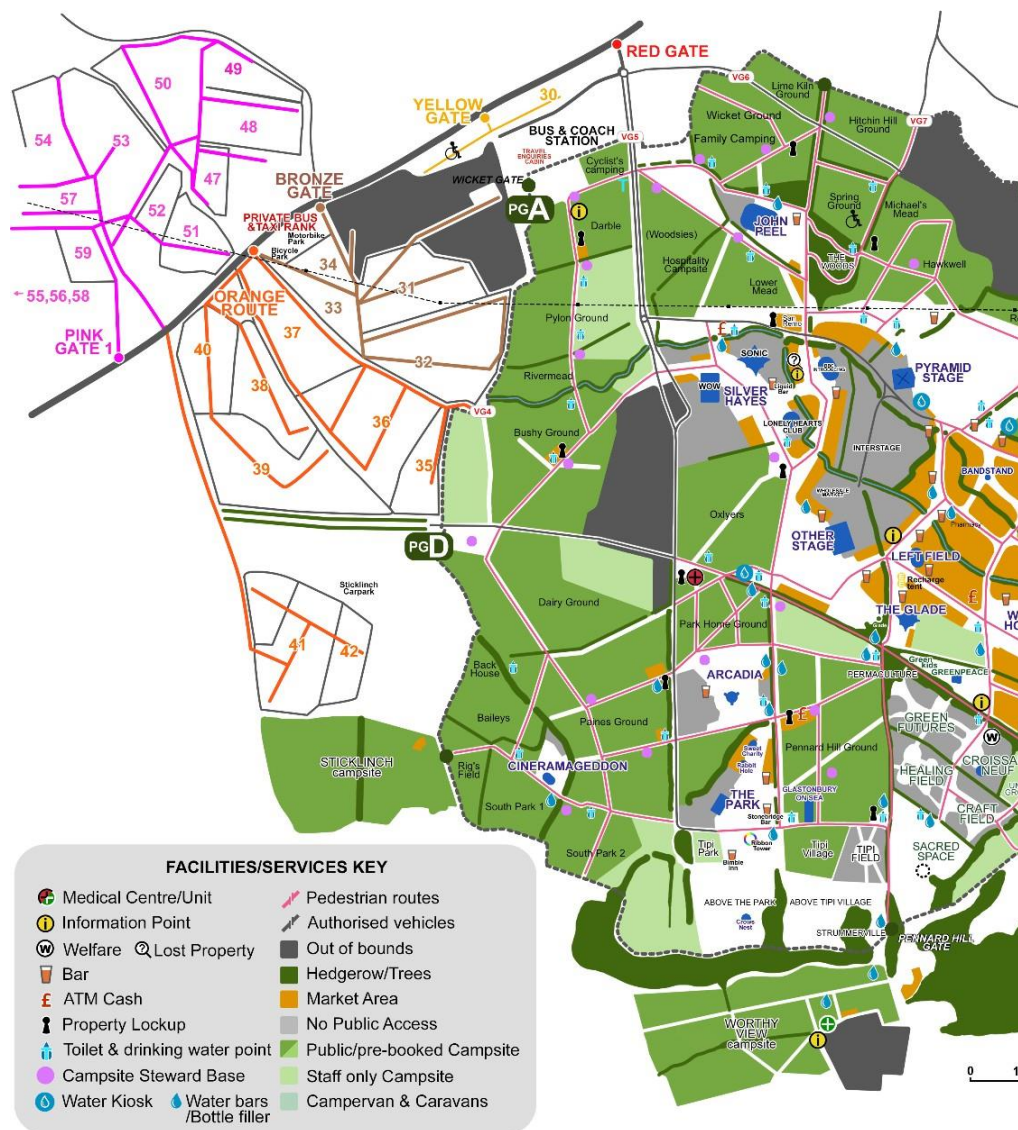

Please vacate the campsite on the morning of Monday 27th June. (The campsite will be closed at 12 noon.) Please remember to take all of your belongings and **LEAVE NO TRACE**

## Access to Sticklinch

Sticklinch has its own car park on the Orange route. Follow the signs via the A371. For anyone arriving by Coach you will be dropped at Pedestrian Gate A. Enter the Festival on foot via gate A and walk from Pedestrian Gate A, via Pedestrian Gate D to Sticklinch.

## Drop off and Collection Point

For those being dropped-off at the Festival there is a 24 hour Drop and Collect service with a 24/7 bus service that runs to and from the Festival (GATE A) continuously.

The Drop and Collect will be open for the public from 9:00am on Tuesday 21st onwards and remains open until 8.00pm on Monday 27th.

It is located to the east of the site. Head towards Evercreech on the A371 and follow the signs for Drop and Collect or DC. Plan a route that keeps you away from the immediate area of the Festival as the A361 is closed for through traffic on the Monday after the Festival between Glastonbury and Shepton Mallet.

After arriving at Pedestrian Gate A, follow the map to Sticklinch campsite.

## Accommodation

Canvas tents (scout tents, yurts, bell tents, tipi tents) **do not** include beds or bedding, so you will need to bring these with you. Podpads, Bunkpads and Octopads include beds and air mattresses, so you will just need to bring your bedding. **Please take all your bedding home with you at the end of the Festival.**

## Showers

Worthy View and Sticklinch Campsites are the only public campsites at the Festival which offer exclusive showers. Demand can be very high which can cause issues with water supply so these are some things to bear in mind:

- Some of the showers are communal / semi-partitioned, with a large communal changing area. You may want to bring a bikini or swimming shorts if you don't want to shower in the nude!
- They are separated into male and female shower units.
- We encourage everyone to prepare for the showers in the changing room to speed up the flow of people in the shower units themselves.
- Showers will be open a minimum of **7:00am – 14:00pm and then 18:00pm – 23:00pm.**
- The queues are largest between 8:00am and 10:00am, so why not freshen up for the evening ahead instead?
- The water tanks need to refill and this can take a while so there can be some downtimes. Showering outside of peak hours is advisable.
- Keep in touch with @worthyview for updates and to discover the quiet times.
- Please use water sparingly and try to stick to a 3-5 minute shower so everyone can enjoy the facilities.
- It's a Festival, take some time out from the usual routine, and go without a shower!

## Toilets

We have a good quantity of toilets that include blocks of flushing loos and banks of compost loos - check the site plan that we send out nearer to the Festival with locations for the toilets in Sticklinch.

## Sink Units

At the main toilet block there will also be sink units with push taps, so you can brush your teeth, wash your face and clean any pots & pans.

**Please don't use the sinks in the toilet trailers to brush your teeth as they are hand wash only!**

## The Pamper Parlour

No need to weigh your bag down with hair dryers or hair straighteners as there are no electrical points. Instead, head to the Pamper Parlour which boasts new salon standard hair dryers, curlers and straighteners, all just waiting to help make you look fabulous!

## Food outlets at Sticklinch

**Please note there is no shop at Sticklinch. If you require camping supplies your nearest general store with limited camping supplies is at Pennard Hill, opposite the entrance to The Park. A dedicated camping shop can be found on the approach to Arcadia from Sticklinch.**

### Alcohol

You are allowed to bring your own alcohol to Glastonbury Festival, but we only allow a reasonable quantity for personal consumption (no more than you can carry in your hands on your first arrival to the campsite). Please do remember glass bottles are not permitted, any glass will be confiscated.

When consuming alcohol you should drink responsibly, make sure you stay within your limits and keep a lookout for your friends. Anyone suspected of selling alcohol on the site or bringing excessive amounts into the event will also have it confiscated by security.

We will be operating a Challenge 21 policy at all bars, so please do not be offended if you are asked for proof of age when you buy alcohol or attempt to bring alcohol on to the site.

### Drugs

Dealing or using illegal drugs is not permitted at Sticklinch and drug enforcement laws are applicable on this site. Security and stewarding staff will be on site to deal with any drug offences in accordance with national laws and guidelines and supported by Avon & Somerset Police. You would also be evicted from the campsite and prevented from entering the Festival.

Experimenting with drugs can lead to adverse reactions. If you do take drugs and you become ill, depressed or frightened please ask a steward to direct you to one of the facilities on site, which can help and support you.
