

Worthy View 2022

Useful Information

Greetings from the Worthy View 2022 Team!

After a three-year hiatus, we can't wait to be back in the fields! As well as the return of all the Festival's much loved areas, stages and the incredible line up, there are a few exciting changes to Glastonbury 2022 including:

- The introduction of Worthy View's sister campsite, Sticklinch.
- New stages in Silver Hayes: The Lonely Hearts Club, an art deco cinema structure standing over 40 foot high, and Firmly Rooted, a space celebrating all things sound-system culture.
- The return of Arcadia's iconic fire breathing spider.

Watch the Festival grow on the BBC Glastonbury webcam!

We are all getting very excited about meeting you in a field very soon. This is your comprehensive guide on the arrival and check-in processes, as well as the onsite facilities. This should operate as your FAQ's, so **do share with the rest of your group, as it only comes to you as Lead Booker.**

If you can't find the answer to your questions below, then do please contact us, we're here to help! Likewise we are always looking to improve so do send any feedback through to us too.

Stay in the loop!

Throughout the event we will be tweeting lots of info and updates, so stay in touch, beat the queues and prepare for the weather by adding us on twitter at [@worthyview](https://twitter.com/worthyview)

Worthy View Campsite Location

Worthy View campsite is at the South of Glastonbury Festival site, situated above the Tipi Field, by Strummerville. Access to and from the main Festival is via the Worthy View Gate. There is a climb of approximately 250m up a hill to the campsite. It is a **STEEP** and winding path. We recommend it is **not suitable for wheelchairs or children's pushchairs**. If you have any injuries or conditions that may impact your mobility, or if you have any concerns at all, please contact us and we can advise you. [Contact us](#)

GLASTONBURY 2022

Arrival & Check In

You will receive one barcode per booking, which can be used as many times as the occupancy of your tent permits. It is advisable to print barcodes out, as phone scanning can be problematic.

Group Arrival / Arriving at Different Times

As lead booker, you are responsible for distributing the bar code to any members of your group who will be arriving separately. For security, we would advise that you do NOT distribute the barcode if you don't have to. **The barcode will only permit as many scans as the occupancy of your accommodation.** Once the barcode has been scanned the maximum number of times permitted by your booking, it will not permit any further entries and people in your party may be denied entry. Please impress on your party how important it is to keep your barcode safe.

IMPORTANT: the barcode only allows access to your accommodation in conjunction with a valid Festival ticket. Your barcode does NOT replace your Festival tickets, which you must present on arrival at Worthy View. Any ticket queries should be referred to See Tickets.

Children

Please email us if you are **bringing your children on site** to ensure we have enough wristbands on the gate. In addition to the adults, we allow one child per two & four person accommodation unit and two children per six & eight person accommodation unit.

Arrival and Check in Process

- Have your Festival ticket in hand and ready to show
- Please be prepared that all adult attendees may be required to show some photographic ID
- Show the confirmation email with your **Barcode**
- Once your ticket has been checked it will be swapped for a Worthy View wristband. Please look after it, as we are not able to replace lost or damaged wristbands.
- You will receive your Festival programme as you exit the gate.

Please note you will only be issued with sufficient Worthy View wristbands for the maximum occupancy of your tent. A Worthy View wristband will only be issued to the person presenting a Glastonbury Festival ticket plus Worthy View barcode and will be put onto the ticket holder by the wristbanding team. We cannot give a number of wristbands to the lead booker to

distribute later.

Once you have gone through the Worthy View gate, feel free to make your own way to your tent. **We send out your tent number and row and a map of the campsite prior to the event.** Otherwise, you can head to [Pink Reception \(open 24hrs\)](#) where you will be greeted by our friendly team who will provide directions to your tent. There will also be stewards around to help you carry your stuff.

We also have a Festival **Information Point** at [Pink Reception](#), staffed with a lovely bunch ready to assist you throughout the Festival.

Check Out

Please vacate the campsite on the morning of Monday 27th June. (The campsite will be closed at 12 noon.) Please remember to take all of your belongings and **LEAVE NO TRACE.**

Access to Worthy View

Pedestrian Access

We understand you may have car shared with people who are not staying at Worthy View and have to enter Glastonbury Festival through Pedestrian Gates A, B, C or D. If this is the case you will receive a Festival wristband on entry and can walk across the site to Worthy View gate at the top of the tipi field and stone circle next to Strummerville.

As you exit through the Worthy View Gate you will need to show your barcode to the security who will allow you to come up to Worthy View to collect your wristband from the main Worthy View entrance. Make sure you do this straight away as you will be challenged within the campsite if you're not wearing the correct Worthy View wristband in addition to your Festival band.

Pick Up and Collection Point

For those being dropped-off at the Festival there is a 24 hour Drop and Collect service with a 24/7 bus service that runs to and from the Festival (GATE A) continuously.

The Drop and Collect will be open for the public from 9:00am on Tuesday 21st onwards and remains open until 8.00pm on Monday 27th.

It is located to the east of the site. Head towards Evercreech on the A371 and follow the signs for Drop and Collect or DC. Plan a route that keeps you away from the immediate area of the Festival as the A361 is closed for through traffic on the Monday after the Festival between Glastonbury and Shepton Mallet.

Staying at Worthy View

Whilst staying at Worthy View:

- Please respect your neighbours, particularly late at night by keeping noise to a minimum on the campsite.
- Please use the litter and recycling bins provided

- Illegal substances
- Animals (except guide dogs)
- Fires
- Smoking in enclosed public areas and your accommodation unit

Showers

Worthy View and Sticklinch Campsites are the only public campsites at the Festival which offer exclusive showers. Demand can be very high which can cause issues with water supply so these are some things to bear in mind:

- The showers are communal / semi-partitioned, with a large communal changing area. You may want to bring a bikini or swimming shorts if you don't want to shower in the nude!
- They are separated into male and female shower units.
- We encourage everyone to prepare for the showers in the changing room to speed up the flow of people in the shower units themselves.
- Showers will open a minimum of **7:00am – 14:00pm and then 18:00pm – 23:00pm.**
- The queues are the largest between 8:00am and 10:00am, so why not freshen up for the evening ahead instead?
- The water tanks need to refill and this can take a while as we are on a hill, so there can be some downtimes. Showering outside of peak hours is advisable.
- Keep in touch with @worthyview for updates and to discover the quiet times.
- Please use water sparingly and try to stick to a 3-5 minute shower so everyone can enjoy the facilities.
- It's a Festival, take some time out from the usual routine, and go without a shower!

Toilets

We have a good quantity of toilets that include, blocks of flushing loos located near the farm and the Village Green traders and blocks of compost loos.

We always want to have first class facilities at Worthy View and have a dedicated team of cleaners regularly servicing the toilets. In addition to our flushing loo's we will have compost loos at Worthy View this year for the first time. We have found compost loo's to be far more effective across the Festival; if used properly they smell less and they require less servicing which means less vehicles moving around the site. The other great thing is less chemicals and more composting of waste so they're a far more eco friendly addition to the campsite.

Sink Units

At the main toilet block and along the hedge rows there are sink units with push taps, so you can brush your teeth, wash your face and clean any pots & pans.

Please don't use the sinks in the toilet trailers to brush your teeth as they are hand wash only!

The Pamper Parlour

No need to weigh your bag down with hair dryers or hair straighteners as there are no electrical points. Instead, head to the Pamper Parlour which boasts new salon standard hair dryers, curlers and straighteners, all just waiting to help make you look fabulous!

The Village Green Food and Drink

The Village Green at Worthy View is the perfect pit stop to refuel, meet friends, recuperate with a refreshing drink or just relax.

We want you to know that you can get great food before heading down into the throng of the Festival! You can also get a decent snack or dinner if you're popping back to freshen up for the night time. Check out these corkers and make sure you pay them a visit over the Festival.

THE COCOA CARAVAN

If you are looking for the perfect hot chocolate perfect for those Festival evenings, as well as artisan coffee, speciality tea and homemade cakes to get you through the day then this is the place to be. All made and served out of a lovingly restored vintage caravan.

BURRITO & NACHOS

Burrito & Nachos are back, having traded at Worthy View for two previous Festivals, and offering a full Mexican menu, alongside a breakfast burrito menu in the mornings.

THAT'S AMORE PIZZAS

That's Amore Pizzas take pride in their menu and the quality of their handmade and hand stretched dough. The team can manage to stretch by hand 6 doughs every 90 seconds which means you don't have to wait an age to taste a great product!

EMMELINE IN THE FIELD CAFE

Emmeline have two fresh, friendly and inviting independent community cafes in central Bristol, with a focus on healthy, tasty, nutritious foods and conscious environmental practices. Our version of Emmeline in the field will provide the same fresh, happy, nutritious experience as the customers enjoy in our cafes.

THE REAL BANGER CO 2

Great food served by fun loving people. Pay a visit to enjoy some perfect sausage and mash to set you up for the day.

THE BUTTY BOYS

A Worthy View staple, the Butty Boys bring a simple quality offering of breakfasts, butties, baguettes, bagels, brews and chips. Only quality free-range British meat/eggs sourced from their local lake district butchers are used with Cumberland sausages which are made using their special recipe. They make fresh bespoke sandwiches so people can have it how they like it and serve them with a smile and sense of humour!

Camping supplies

Airbeds will be available from the shop at Worthy View along with other camping supplies such as sleeping bags, torches, pillows and warm socks! If there is something specific that you're worried you'll need to get to enhance your camping experience then please get in touch and we will let the shop know to get it in stock!

Alcohol

You are allowed to bring your own alcohol to Glastonbury Festival, but we only allow a reasonable quantity for personal consumption (no more than you can carry in your hands on your first arrival to the campsite). Please do remember glass bottles are not permitted, any glass will be confiscated.

When consuming alcohol you should drink responsibly, make sure you stay within your limits and keep a lookout for your friends. Anyone suspected of selling alcohol on the site or bringing excessive amounts into the event will also have it confiscated by security.

We will be operating a Challenge 21 policy at all bars at Worthy View, so please do not be offended if you are asked for proof of age when you buy alcohol or attempt to bring alcohol on to the site.

Drugs

Dealing or using illegal drugs is not permitted at Worthy View and drug enforcement laws are applicable on this site. Security and stewarding staff will be on site to deal with any drug offences in accordance with national laws and guidelines and supported by Avon & Somerset Police. You would also be evicted from the campsite and prevented from entering the Festival.

Experimenting with drugs can lead to adverse reactions. If you do take drugs and you become ill, depressed or frightened please ask a steward to direct you to one of the facilities on site, which can help and support you.
