CENTURY CLUB

"The Century Club is a truly unique opportunity to experience the sport like nobody has ever experienced it before. With a commanding view over an expected capacity crowd, this suite will provide guests with unparalleled comfort as well as an incredible view.

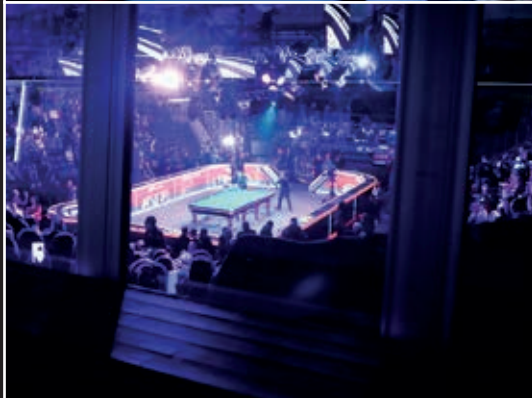

Set behind one way glass, your movement during the frame is no longer an issue as you cannot be seen, or heard within the arena. This allows our team to provide an at table drinks service as well as a three-course lunch or dinner served to your seat by our attentive hosts. By enclosing the suite, guests can talk quietly throughout the match. We are thrilled to be able to offer this incredible experience for what has become a showcase event of the highest calibre."

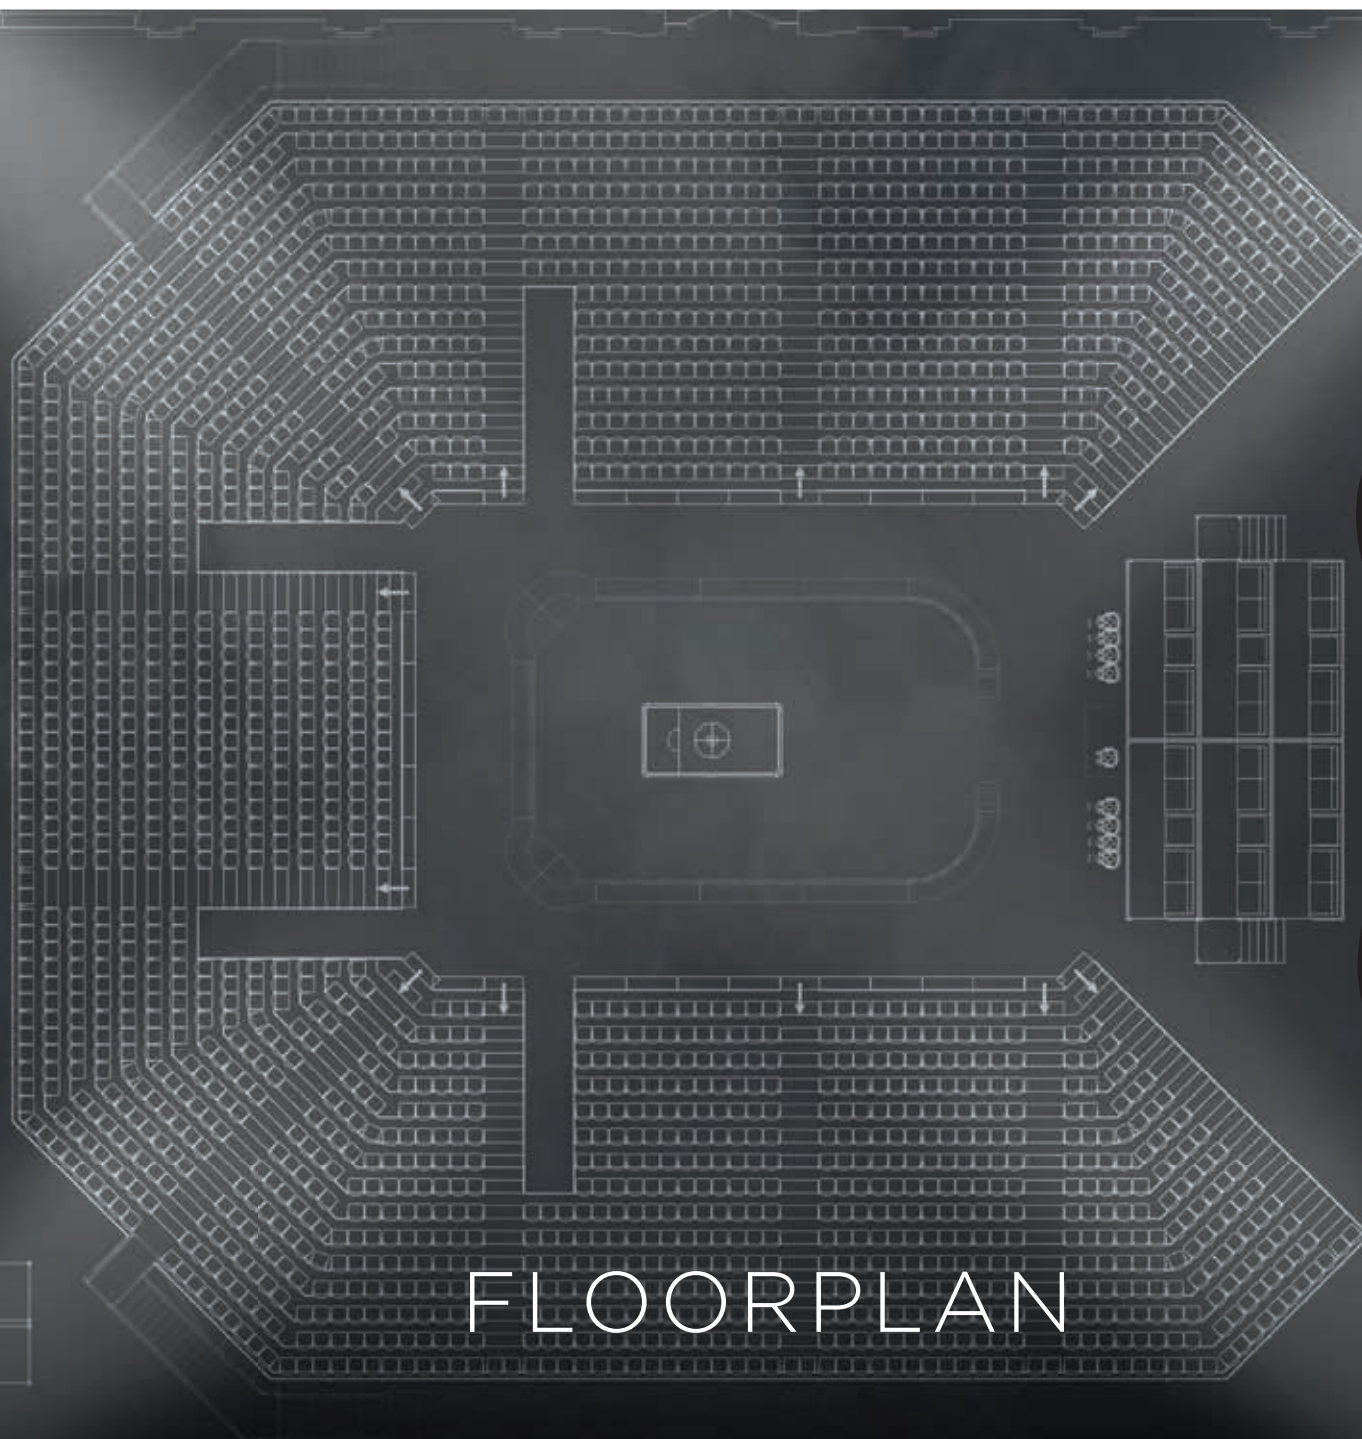

Barry Hearn, Chairman of World Snooker
